

CAN YOU INSPIRE?

We are looking to form an executive committee! In preparation for a brand new Scout Group to be based at Mencap, Ransome Road, Far Cotton, Northampton, NN4 8AA. The group will serve the whole district and will be inclusive for all children with special educational needs and/or disabilities, bringing Scouting to all. This is where we need you!

If you can spare some time to support the new group please get in touch. It is such a great opportunity to offer to children and families for children to actively be involved in a fun programme of activities, earning badges and playing games and taking part in our Scouting adventure.
